APPAREL EXPORTS BY DESTINATION (Jan–Apr): 2024 vs 2025

Top 10 importing countries of Egyptian Apparel (Jan–Apr): 2024 vs 2025

The **United States** continues to represent the largest market for Egyptian apparel exports, recording a growth rate of **11%**, with export values reaching **\$384 million**. **Saudi Arabia** topped the list of fastest-growing markets with an impressive **107% increase**, followed by **the Netherlands** at **98%** and **Turkey** at **93%**, reflecting a notable expansion into non-traditional regional and European markets.

Germany and **Spain** also posted strong growth rates of **47%** and **46%**, respectively, indicating a growing European acceptance of Egyptian products.

The **United Kingdom** maintained relative stability with an **11%** increase, while **France** experienced a slight decline of **6%** compared to the same period last year.

Overall, these results demonstrate that Egypt's apparel exports achieved robust growth across most major markets during the first four months of **2025**. This highlights a positive momentum in the sector's performance, with a clear drive toward diversifying trade partners and strengthening presence in promising markets.
